Good afternoon Emily and Dan,

I just wanted to check in and see if there were any issues reported and to see if you are aware of anything anticipated today and/or tomorrow within or around the County and the City of Windsor.

Any additional information or situational awareness you may be able to provide, even if there are no changes/situation is status quo, would be greatly appreciated as we will be providing an update to the PEOC this afternoon.

I will be available and continuing to monitor the situation throughout the day. Should anything arise and/or if you have any questions, please do not hesitate to reach out.

Best regards,

Darin Dees
